RE: 2020—2021 Data Errata

To whom it may concern:

This data errata letter is to inform you that the data for the economically disadvantaged students of our district was misreported. I have worked with our SIS provider to correct the error and have subsequently resynched our data with DPI.

If you have any questions, or need anything additional from me in this matter, please contact me at 715-262-4224, option 1 or [hillebrandk@prescott.k12.wi.us](mailto:hillebrandk@prescott.k12.wi.us).

Thank you for your assistance in this matter.

Best regards,

Katy Hillebrand  
Executive Assistant to the Superintendent  
Prescott School District
